

Resort Update - April 24, 2007

The Annual Meeting is being held at Seawatch On-the-Beach on Monday, April 30, 2007. It will begin at 1:30 p.m. If you are in the area, please stop by the resort to meet the Board of Directors and hear the latest updates concerning the property.

A new maintenance person was hired to replace Joe Griffin. Michael joined our team the last week of March and is fitting into the Seawatch family. Make sure you meet Mike and introduce yourself when you are here.

The sliding glass doors in the schooner units will be replaced during the spring maintenance weeks. The carpeting in all units will be replaced this year, starting with the ketch and sloop units in the fall maintenance weeks and the schooner units in the fall maintenance weeks. The two bedroom interior doors will be updated with white six panel doors.
